

Marketing 1
Formative Assessment
Chapter 21 Distribution

Imagine that you are the manufacturer of a product of your choice. Describe your product. Using the three levels of distribution intensity, briefly describe an advantage and a disadvantage for each. Then justify which level of intensity you would choose for your product. **Write your answer in complete sentences.**

Distribution Formative Assessment
Grading Rubric

Product Description	2	___
Named three levels of intensity	3	___
Advantage of each level	3	___
