Directions: Answer the following questions by writing a one-page paper. The title of the paper is Missouri's Death Penalty. Double space the paper and use a 12-pt. font.

Who? (Who is the person that administers the lethal dose inmates put to death?)

What? (What is the method of execution and how is it carried out?)

When? (When is the execution done—time of day?)

Where? (What city in Missouri performs the execution?)
