

**CORE Community and CORE Community Leadership**  
**University of Central Missouri**  
**CTE 4000/5000 (1-3 UG/GR credit hours)**

The Department of Career & Technology Education at the University of Central Missouri is pleased to offer university credit for participants completing the CORE Community courses.

**Course Description**

Designed for CTE educators & stakeholders CTE 4000/5000 provides a working knowledge of the Common Core State Standards and the strategies and resources for integrating these standards into existing CTE curriculum. It covers a wide range of resources (depending on the credit pursued), including Common Core, 21st Century Skills, and Technical Skill Standards. This variable-credit course includes completing the ACTE CORE project at a minimum, including participating in an online community of learners, sharing curricular resources, and establishing a long-term collaborative network focused on integrating and implementing learning standards.

- CTE 4000 (1 hour UG): Base CORE Curriculum & online collaboration
- CTE 4000 (2 hours UG): ADDS aligning one’s curriculum with 21st Century Skills
- CTE 4000 (3 hours UG): ADDS aligning one’s curriculum with Technical Skill Standards
- CTE 4000 (1-3 hours GRAD): ADDS professional reflection on one’s curricular revisions.
- CTE 5000 (3 hours GRAD only): ADDS leadership component of sharing ACTE CORE with local colleagues.

**Course Enrollment Deadline**

- **Materials must be received no later than May 1 to have a grade posted for the Spring Semester 2015.** This is the last date of our spring semester before the week of final exams. We must have all enrollment information and supporting materials by this date in order to register students for grades to be inputted on time.

**(Over for enrollment information.)**
