The goal is to have the student experience the world of work through job shadowing.

Role:
The role of the student during job shadowing will be to observe an employee for a short period of time to learn about the business, industry, or profession of the employee. The student witnesses firsthand the work environment, employability and occupational skills in practice, the value of professional training, and potential career options.

Students will:
1. Review the Job Shadowing Choices Checklist
2. Contact the host to set up a time and date for the job shadowing by using the Job Shadowing Choices Checklist
3. Receive and have completed:
   a. Parental Consent to Participate Form
   b. Transportation Form
   c. Classroom Teacher Permission Form
4. Review Workplace Tips
5. Arrive on time
6. Dress appropriately

Students will report to (pre-determined) workplaces for a learning opportunity, to experience “real life” work in a career field.

During the job shadowing experience, the student observes his/her host, collects relevant information and asks questions (e.g. “What do you like about your job? What kind of skills or training do I need?”)

Standards and Criteria for Success:
As a result of the job shadowing experience, the student will be expected to complete some of the following activities:
1. Write a thank you letter (REQUIRED)
2. Complete the Job Shadowing Reflection Form
3. Keep a journal describing the site, the people, the work, and the environment

**Workplace Tips**

There are two general categories of factors that contribute to an employee’s success at the workplace. First, employees must master a set of specific technical skills and experiences. Second, all occupations require general skills such as problem solving, communications and interpersonal abilities. During your job shadowing experience you will be introduced to employees using both technical and general skills. When you are at the workplace, think about these tips and what it takes to be a top employee.

Be honest.

Have a positive attitude. Be friendly, courteous, polite and cooperative with co-workers and clients.

Always be reliable and prompt. Customers and other workers are depending on you.

Notify the appropriate supervisor when you are going to be late or absent.

If you do not understand something, ask questions or ask for help. It is better to admit you are learning than to make a costly mistake.

Respond positively to constructive criticism.

Take responsibility for your actions.

Give your best effort at all times. If you have completed all your regular and assigned tasks, show initiative and seek additional work.

Challenge yourself to be a continuous, life-long learner.

Always be open to change.
