Brief Summary of Unit: Students will be learning how to maintain quality relationships using interpersonal skills in a variety of social situations.

An emphasis on identifying the interpersonal skills needed to maintain quality relationships will be conducted in 6th grade likening interpersonal skills to essential ingredients in a recipe.

The 7th grade lesson will be a reflection and projection opportunity. Students will reflect on the past and present: what they know, what they still need to know and project future action and outcomes and how they will acquire the skills they have identified.

In the 8th grade, the students will be completing activities to help them describe the qualities and interpersonal skills they look for in a relationship and evaluate their own interpersonal skills as they relate to quality relationships.

Unit Goals:

Students will be able to identify interpersonal skills needed to maintain quality relationships.

Students will be able to practice effective interpersonal skills in a variety of social situations.

Students will be able to self-assess interpersonal skills that will help maintain quality relationships.

Student Prior Knowledge: What prior knowledge do students need (e.g. the steps to solving a problem) to be successful in this unit?

Students will need prior knowledge of how to be a friend and to be able to describe “interpersonal skills”.
