

Lesson 2: Selection of Sheep

Name: _____

Sheep Breeds

Objective: Research a specific breed of sheep and then construct goals for producing that breed.

Directions: Select a breed and find the following information from the Internet, breed associations, or other resources.

Name of Breed _____	Characteristics
Class	
Frame Size	
Color	
Reproductive Characteristics	
Wool Characteristics	
Other	

Write a short report to present to the class on the breed that you selected. Include production goals for that breed of sheep.
