*Materials:*

Two index cards per student  
Felt-tip markers or pens  
Magazines, reference books to find information  
Internet access

*Procedures:*

1. Work alone or in groups of two or three.
2. Use two index cards. Write one advantage to sheep production on one index card and one disadvantage on the other card. If working in groups, each person should contribute one advantage and one disadvantage. Use magazines, books, and the Internet to find the information.
3. Discuss the responses with your group and the class as the cards are put on the bulletin board. Explain how you found the information. The bulletin board should have the lesson title with facts about sheep or a big picture of a sheep. The advantages and disadvantages can then be listed on each side of the board.
