

Lesson 2: Career Opportunities in
Agricultural Business

Name _____

Where Will I Be in 10 Years?

Objective: Predict where you will be and what you will be doing in 10 years.

Directions: Write two to three paragraphs that respond to the following questions. Use the Internet and access the library. You may want to consult various individuals: teachers, family members, friends, etc. Use the back of this page if necessary.

1. What is the current, average household salary in your community?
2. What occupation do you wish to have 10 years from now? What will be your responsibilities?
3. What level of education is required to obtain that job?
4. What salary will you earn from this job?
5. What technological changes do you think will take place 10 years from now?
6. Where will you be living?
7. If you get married, will you have children? If so, how many?
8. What type of car will you be driving?
9. What activities will you participate in?
10. Do you plan on traveling? If so, where?
