

Agricultural Construction

Unit V — Finishing Student Handout

Name _____

Use the Project Completion Checklist and Project Evaluation Checklist to track the progress of your project.

Project Completion Checklist

Procedure	Date Due
Master all competencies necessary to complete the project.	
Receive instructor approval for the materials and equipment you plan to use. Are they appropriate for the project?	
Review safety precautions for the materials and equipment you will use. You can lose points for not following safety procedures.	
Prepare the project surface.	
Apply the primer coat.	
Paint the project.	
Clean all equipment using the appropriate cleaner. Return the equipment and materials to their proper place and dispose of rags and other hazardous materials properly. You can lose points for not following assigned cleanup procedures.	
Perform a quality control inspection of the project following completion. Use the Project Evaluation Checklist.	
Turn in the completed project. Your final assessment score will be based on the overall quality of the work and your ability to safely and correctly complete the project within the available time.	

Project Evaluation Checklist
