

**Agricultural Construction**  
**Unit III — Woodworking**  
**Student Handout**

Name \_\_\_\_\_

Use the Project Completion Checklist and Project Evaluation Checklist to track the progress of your project.

**Project Completion Checklist**

<b>Procedure</b>	<b>Date Due</b>
Master all competencies necessary to complete the project.	
Review safety precautions for tools and materials to be used. You can lose points for not following safety precautions and other assigned procedures.	
Complete project procedures.	
Perform a quality control inspection of the project following completion. Use the Project Evaluation Checklist.	
Turn in the completed project. Your final assessment score will be based on the overall quality of the work and your ability to safely and correctly complete the project within the available time.
