Unit VII — Fencing

Student Handout

1. The instructor will describe an area to be enclosed with fencing.
2. Develop a fencing plan for the described area. Be sure to determine what local building and zoning codes apply to the fence and design a fence that complies with all relevant codes.
3. Make an aerial-view scale drawing to indicate fence layout and post spacing.
4. Complete a bill of materials for the project. Include all the materials that will be needed to complete the fence. A form for a bill of materials is included on the back of this sheet.
5. Your final assessment score will be based on the overall content and presentation of your fencing plan.
