GRADE LEVEL/UNIT TITLE: 11-12/Unit 3 - Employment Skills

Course Code: 034303

CIP Code: 52.0803

### **COURSE INTRODUCTION:**

This is an introductory course for Banking and Financial Support Services which also operates a student bank as the implementation practicum. This course also introduces the student to personal finance, including opening and maintaining a checking account, and credit card pitfalls and proper use, a very important skill for all young adults. It is designed to familiarize the student with all aspects of a typical bank including savings, loans, operations, and audit functions. It also covers the history of banking, the organizational structure, and the operations and marketing of a student bank.

### COURSE RATIONALE

Financial literacy is essential in meeting the financial challenges of the 21st Century. The course provides valuable experience in running an actual bank while learning to analyze personal financial decisions, evaluate the costs and benefits of their decisions, recognize the rights and responsibilities as consumers, and apply the knowledge learned in school to financial situations encountered later in life.
