

## ACT INFO

The ACT Test assesses high school students' general education development and their ability to complete college-level work. The ACT is a multiple-choice test which covers four skill areas: English, Mathematics, Reading, and Science. There is also a Writing Test which is optional and it measures skill in planning and writing short essays. The ACT Test is required for all 4-year colleges in the State of Missouri. Acceptance at many colleges and scholarship awards are based on the student's score on the ACT.

Eldon High School is an ACT Test Center. The test can be taken at Eldon High School on all national testing dates.

### Eldon High School Codes are:

High School Code: 260-930

\*\*\*There has been a change in the registration process for this year\*\*\*

*Students will be required to upload or otherwise submit (via ACT website, mobile device, or mail) a recognizable head-and-shoulders photo of themselves at the time they register—online or by mail—for the ACT. The photo will be printed on the student's ticket, which the student will be required to bring to the test center. Students who fail to bring their ticket will not be admitted to the test. The student's photo will also be printed on the examinee roster that testing staff use to check in students on test day. In addition to their ticket, students will be required to bring and present an acceptable photo ID on test day.*

All registrations must be completed online at [www.actstudent.org](http://www.actstudent.org). Please see the Guidance Office if you have any questions on this change.

The fee for taking the ACT is \$35.00 and \$50.50 for the ACT Plus Writing for the 2012-13 school year.

**Fee waivers:** High school juniors and seniors who cannot afford to pay the basic fee for the test may be eligible for a fee waiver. Information about the requirements and how to request a waiver can be found in the Guidance Office.
