Programs of Study

Agriculture, Food & Natural Resources Program of Study

A Program of Study is used to choose academic and elective classes that relate to the career path of their choice. Career paths are chosen after a student has surveyed their interests, abilities, and talents.

	EHS Course Code	College Department	Dual	Course Offered	HS Requirement Met	College Credit	HS Credit	Grade Level

Summer School Enrollment

Summer School Enrollment Form

Date: May 30—June 26, 2012

8:00-2:30

Registration
due by
March 30th!

Please indicate which one or two classes you would like to attend during Summer School.

Student Name: _____ Current Grade: _____

Please check the courses you would be interested in below.

(If Credit Recovery, please indicate subject)

Open to 9th Graders:

- ☐ PE
- ☐ Health
- ☐ Summer Bridge (teacher recommendation)

Open to 10th-12th Graders:

- ☐ Credit Recovery _____
- ☐ Health
- ☐ Personal Finance
- ☐ PE

If registering for only one session please indicate if you are only available for a specific session:

- ☐ Morning only (8:00-11:00)
- ☐ Afternoon only (11:30-2:30)
- ☐ Either session

Class size is limited and enrollment will be based on graduation needs and requirements. You will **not** need to complete any further enrollment request however your acceptance is not guaranteed.

Final schedules for summer school will be handed out in May.

Student Signature: _____ Parent Signature: _____

Sign A+ Agreements

A+ Agreement

A part of the A+ Schools Program is that a student who qualifies according to the following criteria and maintains his/her education at a Missouri Public Community College or Vocational-Technical School is eligible for state educational tuition (referred to as the A+ School Financial Incentive). To be eligible, each student must enter into a written agreement with the school and:

1. Have attended a designated A+ School for three (3) consecutive years prior to high school graduation;
2. Have graduated from high school with a grade point average of 2.5 or a 4.0 scale;
3. Have not been a FICA student as noted for the three year period, (not missing more than 24 days during those 3 years);
4. Have performed 20 hours of unpaid tutoring of younger students and is supervised by a district employee;
5. Have maintained a record of good citizenship and avoidance of the unlawful use of drugs (including alcohol) or acts of violence;
6. Have filled out and submitted the FAFSA (Free Application for Federal Student Aid) Form (Time for April 1);
7. Registered for Selective Service, if applicable.

Understand that failure to complete the FAFSA and, if required, the US Military Selective Service registration will jeopardize the receipt of A+ Financial Incentive.

To maintain eligibility, each participating student must:

1. Attend as a full-time student a Missouri public community college or vocational-technical school;
2. Maintain a grade point average of 2.5 points or higher on a 4.0 scale;
3. Complete the FAFSA by April 1 of each year.

By signing below, the student and parent/guardian are indicating they have been informed by the Eldon High School District of the criteria for ~~voluntary~~ participation in the A+ Schools District Financial Incentive Program. Permission is hereby given for the release of A+ Schools Program information, including school records, to the institutions shown by the student as well as to DHS, as required by law.

_____, and Eldon High School enter into this written A+ student financial incentive agreement.
(Student Name - print)

(Student Signature)

(Date)

(Parent Name)

(Date)

(DHS - Required)

(Required Year of Completion)

(DHS)

(Home Address - include City & State)

(Home Phone Number)

The tuition incentive will be made available only after the student has made a documented good faith effort to first secure all available federal post-secondary student financial assistance funds that do not require repayment. The tuition will only be made to reimburse the unpaid balance of the cost of tuition.

The period of eligibility shall include a maximum period of two (2) years, (in calendar) during the four (4) year period immediately following graduation. A+ benefits end upon meeting a degree or certification.

The student financial incentive program is dependent upon Eldon High School maintaining A+ designation and the Department of Elementary and Secondary Education meeting the state appropriations from the Missouri General Assembly.

This A+ Schools Agreement does not become active without the
signature of the Eldon High School A+ Schools Coordinator.

Steven R. Henderson

MOAR

Pre-registration through advisories and spring Parent/Teacher Conferences

Brainstormed for fall registration ideas with Guidance Dept. and principals

Based registration on MSU's SOAR
(Student Orientation, Advisement & Registration)

MOAR = Mustang Orientation,
Advisement, and Registration

MOAR

Opportunity for students and parents to finalize schedules, check on credits, obtain needed back-to-school information

Principals, teachers, and office staff on board to help – Teachers are asked to give One-three hour block of time

MOAR is the week prior to teachers returning -
Srs.-Tues., Jrs.-Wed., Soph.-Thurs., Fresh.-Fri.

MOAR

Freshmen Friday-

- Provide snacks and water bottles

- Military Personnel provide activities, while music plays in our courtyard

Benefits for Teachers-

- Build relationships with students and parents, learn the registration process, takes the place of Open House, receive lunch before or after shift and coupons for free jeans day

MOAR

Setup in Commons Area

Advertise in newspaper and school website

Send a call home through school messenger

Hang large MOAR sign outside on building

MOAR

Day of MOAR –

- Short training meeting for experienced and new advisors
- Provide orderly checklist of items to cover
- Student folders compiled

MOAR

ACT Testing Information

ACT INFO

The ACT Test assesses high school students' general education development and their ability to complete college-level work. The ACT is a multiple-choice test which covers four skill areas: English, Mathematics, Reading, and Science. There is also a Writing Test which is optional and it measures skill in planning and writing short essays. The ACT Test is required for all 4-year colleges in the State of Missouri. Acceptance at many colleges and scholarship awards are based on the student's score on the ACT.

Eldon High School is an ACT Test Center. The test can be taken at Eldon High School on all national testing dates.

Eldon High School Codes are:

High School Code: 260-930

Test Center Code: 207-780

There are six testing dates throughout the year. They are:

September 8, 2012
October 27, 2012
December 8, 2012

February 9, 2013
April 13, 2013
June 8, 2013

There has been a change in the registration process for this year

Students will be required to upload or otherwise submit (via ACT website, mobile device, or mail) a recognizable head-and-shoulders photo of themselves at the time they register—online or by mail—for the ACT. The photo will be printed on the student's ticket, which the student will be required to bring to the test center. Students who fail to bring their ticket will not be admitted to the test. The student's photo will also be printed on the examinee roster that testing staff use to check in students on test day. In addition to their ticket, students will be required to bring and present an acceptable photo ID on test day.

All registrations must be completed online at www.actstudent.org. Please see the Guidance Office if you have any questions on this change.

The fee for taking the ACT is \$35.00 and \$50.50 for the ACT Plus Writing for the 2012-13 school year.

Fee waivers: High school juniors and seniors who cannot afford to pay the basic fee for the test may be eligible for a fee waiver. Information about the requirements and how to request a waiver can be found in the Guidance Office.

Testing Schedule

2012-2013 Testing Schedule

ACT

Test Date	Registration Deadline	Late Registration (Late Fee Required)
September 8, 2012 October 27, 2012 December 8, 2012 February 9, 2013 April 13, 2013 June 8, 2013	August 17, 2012 September 21, 2012 November 2, 2012 January 11, 2013 March 8, 2013 May 3, 2013	August 18-24, 2012 Sept 22-Oct 5, 2012 November 3-16, 2012 January 12-18, 2013 March 9-22, 2013 May 4-17, 2013

<u>COMPASS</u> Test will be given in Fall & Spring	Open to Sophomores, Juniors and Seniors	Cost is \$10.00

PLAN Test Information

PLAN TEST

The PLAN test is valuable for all 10th-grade students, the PLAN test measures academic progress in high school. It is designed to improve students' preparation for education, training, and work after high school while they still have time to adjust their high school courses. The PLAN has content similar to the ACT test.

Why should my kid take the PLAN?

Taking the PLAN is a great way to prepare for the ACT. In fact, students who take the PLAN tend to score higher on the ACT than students who do not take the PLAN.

It covers the same subjects—English, mathematics, reading, and science—and provides an estimated ACT score. The PLAN points out academic strengths and areas where improvement is needed and lets students know if they're on track for college.

The PLAN helps them find careers that match their interests and even helps connect them with colleges interested in them.

What subjects does the PLAN test cover and how long does it take?

The PLAN includes four multiple-choice tests covering English, mathematics, reading, and science.

Subject	Number of Questions	How Long It Takes
English	50	30 minutes
Math	40	40 minutes
Reading	25	20 minutes
Science	30	25 minutes

The PLAN also includes a 72-item interest inventory that asks questions about the types of work tasks students would or would not like to do.

The 2012 PLAN will cost \$12.00 and signups will be in the Guidance Office.

College Visit Days
Career and College Fair

First comes thought; then organization of that thought, into ideas and plans; then transformation of those plans into reality. The beginning, as you will observe, is in your imagination.
