Crime Scrapbook
Project worth: 50 points

Create a scrapbook comparing crimes against people, property, business and government. Each crime should use no less than half a page. Each page should include the definition, pictures, an article or story. You can combine all of the information into a word or publisher document and set it up like a scrapbook, or you can create by hand and put it in a folder or binder. Please make sure to include the following information:

- ✓ You will need to have 15 different crimes
- ✓ You will need to have at least three crimes from each category (people, property, business, government)
- ✓ You will list the name of the crime and definition.
- ✓ You will need to have an article example or make up a story to explain the crime
- ✓ You will have to include pictures of the crime
- ✓ CREATIVITY!!!! GIVES AN OPTION FOR BONUS POINTS
