Crimes Notebook Assignment

Assignment:

Pick 10 crimes…it doesn't matter which…just make sure they are crimes and not torts. Create a notebook…one crime per page…that portrays each crime. For each crime, I want a definition of the crime, possible sentencing for the crime, example of the crime, and a picture of the crime. It can be clip art or you may draw your own. Be creative!

Grading:

Each crime will be worth four points, one for each part.

	0-9 Points	10 points
