

## **Graphic Arts**

**Katherine Stanley ~ Instructor / Technical Skills Center**

**New Madrid County Central High School**

### **SAFETY lesson plan**

- Objectives**
- ~ Identify equipment and processes
  - ~ Explain safety issue(s) within each machine, i.e. guards, levers, rollers, moving parts
  - ~ Identify procedures for inclement weather / intruder drills / disasters

- Instructional Strategies**
- ~ Lecture, question and answer session over equipment
  - ~ Match games, i.e. equipment and purpose / safety issues with each
  - ~ Practice individual drills with class for weather / intruder / disaster
  - ~ Poster will be displayed in shop containing safety color codes.

- Assessment**
- ~ All students will complete safety test with a 100% grade
  - ~ Students will utilize games to review for safety periodically
  - ~ Students will perform drills for each quarterly : weather/intruder/disaster
  - ~ Identify safety color codes quarterly
