

## Vocabulary Requirements:

1. You will be doing vocabulary for each unit.
2. For each vocabulary word you will do a *vocabulary square*. Each word will have the following items:
  - a. Word
  - b. Definition
  - c. Used in a sentence
  - d. Used in a paragraph
3. Choose an appropriate software for the activity. You could use:
  - a. PowerPoint (like the one I showed in class)
  - b. Word or Publisher document
  - c. Audio software

### Example:

The word	The definition
The word used in a sentence	The word used in a paragraph
