

Objective: Students will be able to use drawing/painting tools.

Start drawing your house. Draw your house using Illustrator. **Draw completed shapes using the pen tool or the shape tools. DO NOT use the line draw tool.**

Use the following:

- Pattern to make a swatch for roof, siding, landscaping, etc.
- 3-D object
- Use a gradient mesh somewhere
- Include landscaping such as trees, shrubs, driveway, sidewalks, etc.
- Brick swatches are on the web page if you need them.
