About Me Presentation**

You should create a power point presentation and then present it to the class. The presentation should be about you. You should include pictures and information about the following categories:

- Your family
- Your interests (music, books, sports, etc)
- Your most memorable vacation
- What you think you want to do with your life after high school/college

You may include additional areas if you desire

Your presentation in front of the class should be no more than 10 minutes.

Any category unfilled is 0 points.
