

The logo for "SHARK TANK" is located in the top right corner. It features the words "SHARK" and "TANK" in a bold, dark blue, sans-serif font, stacked vertically. The text is centered within a light blue, multi-pointed starburst shape that has a subtle gradient and a drop shadow effect.

# SHARK TANK

## SHARK TANK GAME DIRECTIONS:

3 students will be investors looking for great business ideas and successful entrepreneurs to invest their money in.

Teams of two will develop a new product/service idea to sell to the investors.

### Investors:

- Complete a worksheet to prepare for entrepreneur presentations.
- Take notes during each presentation
- Using the information you have about the entrepreneurs and their product/service, decide if you will invest in their idea.
  - Have supporting reasons for your choice.

### Entrepreneurs

- Complete a worksheet to prepare to present your product/service idea to the panel of investors.
  - Decide on a product/service
  - Determine how much money you need from an investor
  - How much of your business you are willing to give up
  - What makes your product/service a great investment/
  - What traits do you as an entrepreneur have that will help make your idea successful?

***This game is a fun way to review the information learned in chapter 5. Remember to be professional and take the game seriously. Correct spelling and grammar will be used in written and verbal communication. You will be graded on professionalism, creativity, and originality.***
