Points	10-8 pts	7-4 pts	3-0pts
<b>Content</b>	Story is told with exactly the right amount of detail throughout. It does not seem too short or too long.	The story composition is typically good, seems to drag or needs more detail in a few sections	The story needs more editing. It is noticeably too long or short to be interesting.
<b>Slides</b>	Title Slide is used. Credits slide and sources cited if needed. All slides were professional and matched theme of story.	Title Slide is used. Credits slide and sources cited if needed. Slides needed more work	Required slides missing. Slides lack clear supporting information
<b>Pictures</b>	Pictures are clear and appropriate to the topic – sized appropriately	Some of the pictures (3-5) pictures are not clear and are blurry – some pictures are not sized appropriately	Some of the pictures (5-8) pictures are not clear and do not relate to topic – pictures not sized appropriately
<b>Transitions and Edits</b>	Smooth; appropriate to the subject matter and add to the flow of the video  Story is moving at all times. Appears to be a movie.	Most are appropriate to the subject matter but some are distracting  Story moves most of the time but can tell it is not a movie.	Confusing; overused; detract from the “flow” of the video  Story stops several times and appears more as a PowerPoint
<b>Music</b>	Beginning and ending music is well coordinated with video; adds meaning or tone; easy to understand	Beginning and ending music mostly suited to the meaning and tone of the video but it may be uneven (too loud or too soft)	Uneven and distracting; not coordinated with video; does not add to meaning or tone; difficult to understand
<b>Narration</b>	Narration is well rehearsed..Highly expressive, natural and engaging speaking voice. The pace fits the story line and helps the audience really “get in to” the story. Excellent pronunciation and grammar.	Narration is rehearsed. Uses expression. Speaks in a conversational style. Occasionally speaks too fast or slow. Pace is okay. Good pronunciation and grammar.	Narration is absent or not rehearsed. Monotone, flat voice. Errors in grammar and pronunciation
<b>Use of Technology for Presentation</b>	Demonstrated a total understanding of how technology was used for the project. Applied new skills that were learned. The student would be able to explain to others how to create the project	Demonstrated some understanding of how the technology was used for this project. Need assistance and applying new skills	Showed little understanding of how the technology was used for this project.
<b>Overall</b>	Outstanding – WOW presentation that goes beyond requirements.	Good, solid presentation that meets all requirements	There is something in photo story, but little effort and time was put into the making..
