

Computer Information Systems Alice Graphics Development

Working in your group, create a storyboard for at least 4 different scenes. Then convert those storyboards to an Alice animation. After your animation is finished, please save it on your Z: drive with the name Storyboard4SceneAnim. Remember that a scene can be as simple as something changing, or as complex as a conversation. Also remember that this project **MUST BE SCHOOL APPROPRIATE**.

You will need to put the names of everyone on this document and attach it to your storyboards and turn in for grading. Below is the grading chart for this assignment.
