

## Computer Information Systems Job Search

Fill out the tables below using the following (or other job related web sites). At least one job in each category must be in the St. Louis area. If you cannot find a job in the St. Louis area, you can expand the search to Missouri. Under company name, please include the company name and the web address of the job listing. Make sure to find out information about the company. Be prepared to discuss with the class.
