

SPORTS & ENTERTAINMENT MARKETING
CAREER UNIT; UNIT 5

- Choose two specific careers that interest you and explain the benefits and detriments of each from your perspective.
- List three international job opportunities that correspond said jobs and list a couple of benefits and detriments that go along with each
- Split class into two groups and research future work trends and job skill. Results from each group should include a paragraph giving a brief summary, purpose, specific findings, details supporting the findings, and a conclusion. Include sources of information and note dates on all materials used.
