

## **Sports & Entertainment Career Spot Light Performance Event:**

Choose a Sports Career that you are interested in. This could be in marketing, sales, sports medicine, training, professional athlete, etc. Pick a career that you plan to enter.

Using the *Internet* (a good site to use is <http://www.bls.gov/OCO/> and there are many others) **and** the occupational books provided in the back, research your career finding the following:

- **Description of Career**
- **Salary possibilities**
- **Job responsibilities**
- **Personal and Physical Requirements**
- **Educational requirements**
- **Popular colleges to earn these educational requirements**
- **Employment outlook**
- **Local businesses for job opportunities**
- **Interesting facts**

***Create a one-page flyer*** advertising your career to all students. Make your flyer appealing to the eye. ***Use clipart*** to enhance your flyer. Try to include as much of the above info on your flyer as possible.

Print to the laser and hand in (be sure to put your name on the back).
